Rosemarie,

I compared the final, signed version of the LUB letter sent to Oregon with the earlier drafts. It looks like Region 10 accepted all of Anna Wildeman's and Dave Ross' edits from late June. So yes, as far as I can tell, the final letter reflects all the changes made by the OW front office.

Thanks,
Carol

Carol—

Thanks for forwarding.

Does the final letter reflect the changes made by the OW front office or does it reflect the language in the draft that both the OGC and OECA front offices had previously signed off on? If it would be easier for you, we can talk about this at the WED general tomorrow.

Rosemarie
